

*To facilitate liberty and order in the Spirit, we adhere to the following guidelines for conference call prayer. Thank you for your cooperation, that our prayers together might be fervent and effectual!*

**Guidelines for Conference Call Prayer:**

- Please come ready in spirit to humbly and boldly approach God's throne of grace.
- Please limit prayer topics to (1) Israel (2) the Middle East and (3) directly related matters concerning the nations, the Jews and Israel.
- Please try to join the call on the hour to facilitate unity in prayer. (However, you may call in at any time and for any amount of time.)
- Please keep conversation to a minimum, as our mandate is focused intercession.
- In order to be heard, only one person should pray aloud at a time. A brief word of agreement is fine, however.
- Please do not use speakers on your phone or computer, if at all possible, as this can cause feedback and you may have to get muted.
- We encourage you to ask the Lord if He would lead you to fast, together with pray.
- Thank you for honoring the Holy Spirit and the leadership of the prayer leader.
